

Dear Sterling Heights Regional Chamber Member,

SVS Vision recently became a member of the Sterling Heights Regional Chamber of Commerce & Industry and would like to take just a moment to introduce ourselves to our fellow members.

Based in Mt. Clemens, Michigan, SVS Vision has been a leader in eye care for 35 years. From our humble beginnings in 1974, our philosophy of providing quality products at a reasonable cost while exceeding customer expectations has never changed. What began as a single optical center in Sterling Heights has now grown to include 53 offices in 11 states – 31 are located right here in Michigan. We've maintained a firm belief that growth should always come as a result of satisfied customers, which has allowed us to maintain exceptional affordability and an unwavering commitment to quality control.

At SVS we focus on you. Our commitment is to provide a total eye-care experience with the highest quality Service, Value and Selection. Our professional staff is knowledgeable and friendly and will guide you through every step from scheduling a visit to selecting the best eye wear. At every location you'll find:

- ◆ Comprehensive eye exams by Doctors of Optometry
- ◆ Friendly staff whose focus is on servicing your needs
- ◆ Personal attention and support from knowledgeable opticians
- ◆ A large selection of frames in the latest designer and fashion styles
- ◆ Technologically advanced lens designs for any vision need
- ◆ A full selection of contact lenses

If your business has a vision insurance benefit, we participate in most plans. If not, **SVS Vision offers SHRCCI members a 30% discount on professional fees and eyeglasses. In addition, you'll receive 10% off the purchase of contact lenses.**

SVS Vision also offers Michigan based companies competitive OSHA approved Safety Eyewear programs that can save employers costs and provide eye protection to your employees, as well as vision insurance plans that include complete administration.

If your business is interested in providing your employees with a vision care benefit or requires industrial safety eyewear, visit our website at [www.svsvision.com](http://www.svsvision.com) or give us a call at 800-611-3683.

We look forward to meeting you at the many gatherings with the Chamber of Commerce.
